GLIDING ROTA – ALLOCATIONS

1. Attached at Annex A is the Gliding Rota from 4 May 2013 until 26th October 2014. The number of GICs will be 3 per Sqn per day: a total of 6 per day.

2. **The following conditions must be observed:**
 - Officers in charge will attend the Gliding School @ 0930hrs on the day of their allocation.
 - Cadets must be in possession of their F3882 (Record of Service Book) with Parents/Guardians Consent to Flying section duly completed with OC's signature. Failure to ensure this has been completed will lead to the **cadet being sent home and will not get to fly.**
 - Only First Class Cadets or higher over the age of 13 yrs and 3 months will be flown.
 - **Cadets are to be below 102Kg in weight.**
 - Lunches are not available on site. Cadets should bring a packed lunch and drink.
 - Cadets are to wear suitable clothing and footwear.
 - If Squadrons cannot attend they can either arrange to swap with another Squadron informing the GLO of the swap or contact the GLO as soon as possible so that the places can be offered to other Squadrons.

3. Gliding is subject to weather conditions. Cadets should come prepared to pass the time. In addition, there is a 'quiet room' to allow cadets to study, if required.

4. All Sqn Cdrs/Adjutants are requested to acknowledge receipt of this letter by **2nd June 2013**. The dates at Annex A must be included on the Sqn Year Planners to ensure gliding is not forgotten.

5. The Gliding calendar on Bader will be up dated to reflect these dates.
